

Attention: Anyone entering the building must complete this self-screening.

Effective May 9, 2022, masks are not required unless:

- ▶ You **currently** have any signs or symptoms of COVID-19 that are not caused by another known reason
 - Examples: shortness of breath or difficulty breathing, fever, loss of taste or smell
- ▶ You **currently** have a diagnosis or suspected diagnosis of COVID-19
- ▶ Within the last 10 days, you have been exposed to anyone **confirmed** to have COVID-19

If you have answered “yes” to any of these questions:

PATIENTS

- ▶ **Wear a mask**
- ▶ **Report directly to your assigned check-in location.**
- ▶ **Notify staff at your location of any “yes” answers.**

VISITORS

- ▶ **Do not enter this facility.**
- ▶ **Contact your healthcare provider for follow-up.**

*Please note:
These guidelines are subject to change at any time.*
